

Week 7 7.4 Note

Extra R Commands:

- `c()`:
 - `c` is for Combining.
- `seq(x, y, by = z)`:
 - `seq` is for sequence. Create a sequence from x to y by increment z.
 - ex:

```
# This is equivalent to c(1, 2, 3) and 1:3 here:  
seq(1, 3, by = 1)
```
